

GAMMA INSTABUS IP VIEWER N151

Similar to image

Technical data:		
Design type		KNX/Ethernet
Type, explanations		IP viewer N 151
Design of the product		Ethernet interface
Type of mounting		modular installation device
Number of pitch units for width		4
Operating voltage / nominal value	V	24
design of display		No
Bus system / can be used / EIB/KNX		Yes
Bus system / usable / RF bus system		No
Bus system / usable / Powernet bus system		No
Protection class IP		IP20
protocol / will be supported		others
Communication function / web server		Yes
Bus system / usable / LON bus system		No
Product feature / anti-dismantling		No
Product component / Radio interface		No
Product component / IR interface		No
Product component / LED		Yes

Product property / provider dependent		No
Product property / may be updated		No
Design		N
Voltage supply of the electronics via an external voltage source AC/DC		12 to 30
Integrated bus coupling unit		yes

Certificates/approvals:

General Product
Approval

Declaration of Conformity

GOST

EG-Konf.
